

Is Buying A House Profitable?

Buying a home offers multiple benefits.

- ✔ Buying a home is a great investment & helps in building equity.
- ✔ Having your own home gives you a better control on your living space & privacy.
- ✔ You have the authority to make any changes to the home as per your requirement.
- ✔ Taking out mortgage & repaying it helps in improving the credit score.
- ✔ The home can be rented out to earn passive income.
